Office of the Vice President for Research (OVPR)

2020 Fall Update with the President and Provost

K·STATE 2025

KANSAS STATE UNIVERSITY

Vision for the OVPR

In support of a top 50 public research university with a critical land-grant focus, the OVPR will provide:

- Investments, strategies, and business models
- A comprehensive grant management program
- Comprehensive training in safe, effective, ethical research practices
- Leadership in technology transfer & corporate partnerships
- Leadership and partnership to promote a diverse research environment and economic prosperity in Kansas

Key Metrics for FY20

➢ Research expenditures: $350M

✓ Invention disclosures: >100 per year

✓ Master research agreements:
  >75 w/10 key partners

✓ Industry-funded research: $30M

✓ Increase % of faculty who are PIs

✓ Improve grants/contracts & compliance environment

✓ Advance Kansas economic prosperity

K·STATE idea RESEARCH

Progress/Accomplishments

- **Research expenditures** grew from $188.7M in FY2015 to $218.7M in FY2019
  - **We were on track to exceed $220M in FY20**, but the COVID shutdown saw FY20-Q4 drop off in spending.
- **Tech transfer: $786K** in <u>new</u> licensing revenue (FY20Total = $3.3M)
  - Total annual licenses/options (35) is an all-time high
  - Disclosures at 80% of goal
- Total **corporate sponsored research**: $28 M
- Added 28 new Master Research Agreements with industry – total = 111 MRAs

Research, Scholarly and Creative Activities, and Discovery

- New grants management system (Cayuse SP) unveiled in 2020

- 1,138 awards in FY20 for $200M (55% growth in $, 35% growth in awards in 5 years)

- Facilitated & processed a record 1672 proposals in FY20 (record $661M requested)

- 841 unique PIs submitted proposals in FY20

- Record year for research award dollars for FY 20 - $200 million

- **Tested and Launched** the new Cayuse SP grants/contracts management system for campus

- **Developed & launched** the RADAR business intelligence research reporting system for annual reports

KANSAS STATE
UNIVERSITY

K-STATE 2025

Compliance & Safety Environment

- **Animal Care & Use** - AAALAC Accreditation November 2020
  - Conducted first virtual USDA animal welfare inspection with no findings
- **Biosafety lab inspections** continue to excel with regular and unannounced inspections from USDA, CDC, DHS
  - Inspections conducted virtually with document sharing in RISE
- **Revised FCOI** forms and PPM for ease of use and developed training on foreign influence in academia
- **Electronic Protocol Process** – IRB applications will become automated and online in Fall 2020 – decreasing burden to researchers
- **Compliance Committees meeting online** – decreasing time burden for committee members and researchers
- **Increased campus briefings and presentations, many done virtually**

Advancing the Prosperity of Kansas

- **81 new jobs** created or committed in 2019; $41.8M current active total payroll, net 587 jobs

- **$5.7M private investment** made in facilities/startup capitalization

- **GFS funding** at $5M to expand/grow food-related strengths & economic development; 20 seed grants at $973k

- **Launched KBOR Pillar 3** exercise to create a campus plan to enhance and measure our impact on the local and state economy; NBAF strategic plan

OVPR priorities FY21

- **Finalize and roll-out KBOR** Economic Prosperity Pillar with university, KSU-IP, KSUF, Research Park & Office Park in the Edge
- **Continue to provide excellent training,** proposal development, and compliance support for faculty (CUI, COI, FCOI, Safety)
- **Continue to provide** best-in-class service for research proposal/contract/ grant administration – eRA, Cayuse SP, Cayuse 5.0, RISE
- **Target growth areas** in federal, industry, private resources
- **Finish facilities & administrative costs Task Force report**
- **Communicate the value of K-State research to internal & external audiences** and align with other university messaging
