Omicron Delta Epsilon is the international honor society for economics students and is one of the world's largest academic honor societies. The objectives of Omicron Delta Epsilon are recognition of scholastic attainment and the honoring of outstanding achievements in economics; the establishment of closer ties between students and faculty in economics within colleges and universities, and among colleges and universities; the publication of its official journal, The American Economist, and sponsoring of panels at professional meetings as well as the Irving Fisher and Frank W. Taussig competitions.

Currently, Omicron Delta Epsilon has 578 chapters located in the United States, Canada, Australia, the United Kingdom, Mexico, Puerto Rico, South Africa, Egypt, France, and United Arab Emirates. With such a broad, international base, chapter activities vary widely, ranging from invited speakers, group discussions, dinners, meetings, etc., to special projects such as review sessions and tutoring for students in economics.

The K-State chapter of ODE meets as a part of the Economics Club at Kansas State University. It is not necessary to be a member of ODE to be a member of the Economics Club.

ODE initiations will take place during the second meeting of each calendar year. Membership applications will be distributed at the first meeting of each calendar year and due the following week. In order to be accepted into the K-State ODE Chapter students must meet the following criteria.

The minimum requirements for admission for undergraduates are:

- Completion of 12 semester hours of economics courses; and
- Attainment of at least a 3.0 average in economics courses and an overall 3.0 average in all classes, and a class standing in the upper one-third.
- Students do not have to be economics majors, but must have a genuine interest in economics in addition to meeting the above requirements.
- Students must be active dues paying members of the K-State Economics Club.
- There is also a onetime \$35.00 membership fee to join ODE. Students should include a \$35.00 check to Omicron Delta Epsilon along with this application.

I wish to join the Beta Chapter of Kansas of Omicron Delta Epsilon. I have completed twelve or more hours of economics coursework at Kansas State University and I have an average GPA of over 3.0 in both my economics courses and my overall GPA. I am willing to give Professor Kuester permission to verify my academic standing before my application is approved to join ODE. I am an active, dues paying member of the K-State Economics Club.
