Re: Grievance actions during the 2009 -2010 Academic Year

During the 2009-2010 academic year, one Appendix G hearing was heard by the University's General Grievance Board as follows:

One grievance from the College of Technology and Aviation, KSU, Salina, was filed and heard in an open hearing (requested) with the University's General Grievance Board. A final report was prepared with recommendations that were provided to President Schultz, the grievant, and the respondents.

Two additional sets of grievance materials were submitted by faculty members during the Spring semester. I postponed accepting one case, as mediation seemed to be a possibility. The other case was submitted late in the semester, and any possible action was delayed until the first day of classes of the Fall semester.
