5  
6 **WHEREAS,** The Kansas State University Student Governing Association authorized a plebiscite vote  
7 regarding smoking on campus held in conjuncture with the 2013-2014 Student Governing  
8 Association General Election on March 5-6, 2013;

9  
10 **WHEREAS,** 3,262 of the 3,847 (84.79 percent) voters were in favor of some form of further restrictions to the  
11 current policy, and 1,419 (36.89 percent) voters were in favor of a complete smoking ban on  
12 campus;

13  
14 **WHEREAS,** 93.51 percent of voters stated that they did not smoke;

15  
16 **WHEREAS,** National polls have shown that the number of smokers is declining;

17  
18 **WHEREAS,** As of January 2, 2013, at least 1,129 college or university campuses in the United States have  
19 adopted 100 percent smoke-free campus policies that eliminate smoking both indoors and  
20 outdoors across the entire campus, including residences;

21  
22 **WHEREAS,** Numerous studies indicate second-hand smoke poses health risks to nonsmokers consistently

24  
25 **WHEREAS,** Proposed changes to campus policy will balance the rights of smokers and nonsmokers;

26  
27 **WHEREAS,** The Kansas State University Student Governing Association sees the need to employ a policy that

29  
30 **WHEREAS,** The current campus smoking policy is not enforced or adhered to;

31  
32 **WHEREAS,** A clearer campus smoking policy will be easier to enforce, creating a healthier environment for

34  
35 **BE IT RESOLVED THAT:**

36  
37 **SECTION 1.** The Kansas State University Student Governing Association supports a change in the official

40 campus and near residence halls."
