Re: Grievance actions during the 2013 -2014 Academic Year

During the 2013-2014 academic year, I received no new formal request for grievance hearing.

A tenured faculty member that had filed a request for grievance hearing in AY 2012-2013 had an ART review process where he had his appeal denied. He then wanted to “activate” his request for hearing. He, however, did not pursue the matter further after consulting with the ombudsperson.

I feel honored to serve in this capacity, and I very much appreciate the Faculty Senate for giving me this opportunity. I would like to thank the Faculty Senate, the University Administration and my College for the support.
