Dear Faculty/Staff,

The Student-Athlete Services Staff is requesting your approval to obtain an “observer role” status which would allow view-only access to limited course materials within the Canvas system.

Student-Athlete Services will use this information to:

- Review course assignments, grading scale and class policies to better assist students in managing and understanding class requirements
- Check grades to stay ahead of potential eligibility issues; connect students with necessary academic support resources; and proactively monitor progress to help minimize risks of academic integrity issues at end of semester
- Assist student athletes in developing quality study habits, time management skills, and organization of course work
- Help student-athletes plan ahead and better assist them as they work through missed class days due to travel/competition
- Review of detail from instructors via assignment listings; able to better prepare and pre-plan for tutor/learning assistant sessions

That access would be:

- Limited to only student-athletes identified on your course roster
- Used only by each sport program’s designated athletics academic counselors
- Approved by faculty/staff for each class: **a non-response will automatically deny access**
- Approved by student athletes

Limited User Role Access WOULD ALLOW view only access to:

- Course syllabi
- Grades for observed student only
- Graded coursework, submitted assignments, instructor comments/feedback
- To do lists
- Course announcements
- Assignment listings
- Assignment details

Limited User Role Access WOULD NOT ALLOW the designated user to:

- Comment on announcements or discussions
- Complete and/or submit assignments, quizzes, exams
- Send conversation messages, join groups, or view students in the course they are not observing
- View locked files or folders
- Be an active participant in the class in any manner

The following classes for which you are listed as an instructor of record have been identified as having student-athletes on the course roster. For each course, please select yes or no to approve status of the observer role access to K-State Student-Athlete Services athletics academic counselors.

Please click the link to view those courses and begin the opt-in process.

There might be an option for: YES TO ALL NO TO ALL
