Re: Grievance actions during the 2017-2018 Academic Year

During the 2017-2018 academic year I received one formal request for grievance hearing.

I received a grievance hearing request from a tenure-track faculty member in the College of Business regarding denial of tenure and promotion. The request was denied because it was based on “imprecise” grounds.

I feel honored to serve in this capacity, and I thank the Faculty Senate for giving me the opportunity to serve. I would also like to thank the Faculty Senate, the University Administration and my College for the support.
