Re: Grievance actions during the 2019 -2020 Academic Year

During the 2019-2020 academic year, I received one grievance hearing request from a faculty member in the College of Arts and Sciences for denial promotion to the rank of professor. That request was granted and an appendix G hearing occurred in October. The appeal was denied.

I feel honored to serve in this capacity, and I thank the Faculty Senate for giving me the opportunity to serve for another term. I would also like to thank the Faculty Senate, the University Administration and my College for the support.
