

Notice 22-01
May 9, 2022

IMPORTANT FISCAL YEAR INFORMATION

Please route this memo to the individuals responsible for the following functions in your department: Accounting, Travel, Payroll, Accounts Receivable, Budget, and the recording and depositing of cash receipts.

At the end of each fiscal year, all state-administered obligations should be paid before the payment deadline, when possible. Departments should carefully monitor all funds as the year draws to a close.

It is critical that the Division of Financial Services receive a payment voucher (Travel Voucher, Agency Payment Voucher, Interfund Voucher) by the date listed for your department's current year obligations if an invoice has been received from the vendor. All payment vouchers should be submitted electronically through E-forms.

If a payment voucher will not be submitted and received to General Accounting by June 15, 2022, every attempt should be made to pay this expense as soon after that date as possible. Departments are not required to complete a KSU Encumbrance for these outstanding obligations. The Division of Financial Services will still process encumbrances for departments wishing to track obligations in this manner, but the encumbrances will be used for internal departmental use only. Tracking of KSU Encumbrance Forms is available through E-forms. Please keep a copy of this memo for reference during fiscal year-end processing.

FINAL DATES FOR CURRENT FISCAL YEAR FINANCIAL TRANSACTIONS

Please submit all transactions as early as possible. Allow time for proper payment approval, and pre-audit.
