2024 EXECUTIVE COUNCIL

Meet the Team

Josie Brooks

Panhellenic President

✉ josie22@k-state.edu

As president of the Panhellenic Council, I work with university officials, chapter presidents, and fraternities, and oversee/assist the council with any duties and responsibilities.

Jill Niblock

Executive Vice President

✉ jillniblock@gmail.com

I communicate council updates and community events to chapter presidents and delegates. I also oversee the Panhellenic budget and plan Greek Week!

Abby Dodd

Vice President of Health and Safety

✉ abbydodd@k-state.edu

As the VP of Health & Safety I work with chapters to help educate members about safety and risk management while also coordinating opportunities for community events and programs on various risk management topics. I also handle judicial situations during recruitment.

Lexi Minor

Vice President of Recruitment Operations

✉ leximinor4@k-state.edu

As VP of Recruitment Operations I schedule recruitment, work with PNM's throughout the summer and recruitment week, and collaborate with recruitment chairs to help them plan recruitment. I also plan and execute COB during the spring and fall semesters.

Graysen Denning

Vice President of Recruitment Experience

✉ graysend@k-state.edu

As VP of Recruitment Experience I work to train, educate, and prepare our recruitment guides to make sure they are for any situation during recruitment week. I also make sure our Potential New Members are having the best experience throughout the recruitment process.

Lauren Gill

Vice President of Community Wellness

✉ legill03@k-state.edu

As VP of Community Wellness, I plan community-wide service events and work with chapter philanthropy, housing, & academic chairs to maintain community standards. I also act as a liaison between the Manhattan community and Greek Life at K-State

Reagan Geisbrecht

Vice President of Public Relations

✉ reagang@k-state.edu

As Public Relations Vice President, I manage all Panhellenic social media accounts, including Instagram and TikTok, I update the Fraternity and Sorority Life website, and I write the Weekly Greek that is sent out on Monday of each week.

INTRODUCTION LETTER

Dear Potential New Member,

Welcome to Kansas State University! I'm so thrilled to have you interested in our sorority community and I am so excited to see you begin your Greek and academic journey here!

During Primary Formal Recruitment this fall, you will meet women from each of the 13 National Panhellenic Chapters (NPC) either virtually or in person. I encourage you to go into each chapter with an open mindset and a positive attitude. Don't stress too much, we want you to enjoy yourself! Every chapter here at K-State is outstanding. When going through recruitment, I want you to think about your values and what is important to YOU, and look for that in your sorority home.

I want this to be one of the most positive experiences you have at K-State. Joining a sorority can be a life-changing experience, and I want to do as much as I can to help you throughout this process. This fall, more than ever, it will be important to have a community and group of women who will empower and encourage you.

I wish you the absolute best of luck in primary recruitment this fall!

Lexi Minor

Vice President of Recruitment Operations on
Panhellenic Council

leximinor4@ksu.edu

FRATERNITY & SORORITY LIFE

Core Values

01 Personal Growth

From the second you step into our community to graduation day, you will be presented with endless opportunities to grow and challenge yourself. One of our members stated that someone else in her chapter was able to affirm qualities within her that she didn't yet notice in herself. Whether it's being encouraged to apply for a position within a student organization, being surrounded by people with diverse interests, or simply building value within your own experiences, being a member of Fraternity and Sorority Life will help you grow qualities within yourself to be a strong leader and community member.

02 Confidence

When meeting with members of each of our fraternities and sororities, we asked them a variety of questions pertaining to what they've gained throughout their experience. The number one answer we heard: Confidence. Whether you come to K-State with your entire graduating class or you come from out-of-state not knowing a single person, being a member of FSL surrounds you with a community that will instill confidence within you and help you be your most authentic self.

03 Connection

Being a member of FSL means that you have a common interest with over 3,600 hundred people. This bond is something that extends to not only active members, but also our alumni. Getting the chance to make professional connections with alumni is a unique feature of our community. Our community rallies around members both as they go through hard times, but also as they celebrate victories.

04 Impactful Friendship

FSL is a place where everyone is welcome and everyone is family. Creating lifelong friendships is one of the pillars of our community. Getting the chance to live in the chapter facility, find mentors among older students and meet people with different majors and interests is something unique to FSL. While everyone has their own niche, everyone else is there to support them in that. Getting to form bonds with those who are older than you and finding mentors through that.

Panhellenic Dictionary

Alumna/alumnae (feminine)

A women's fraternity or sorority member/s who is/are no longer a member of a collegiate chapter.

Bid

An invitation to join a sorority.

Chapter

A membership unit of a national/international sorority.

Fraternity

A values-based, social organization with a formed brotherhood and common principles.

House director/housemother

A woman who lives in the sorority house, who serves as a "parent away from home" and cares for all of the women living in the sorority house. The house director may manage the house, supervise kitchen responsibilities and/or serve as the official hostess for chapter events.

Interfraternity Council (IFC)

The collegiate governing body of the fraternities led by student members.

Legacy

A relationship through a family member (mother, sister or grandmother). There is no standard policy regarding legacies and invitations for membership. Each chapter or national/international organization defines legacy differently. See the column to the right for legacy information.

Panhellenic Dictionary

National Panhellenic Conference (NPC)

A governing body composed of delegates from 26 women's national sororities, each autonomous as a social, Panhellenic letter society of college women, undergraduates, and alumnae.

New Member

A woman who has accepted a bid but is not yet an initiated member.

Panhellenic Council (PHC)

The collegiate governing body of the National Panhellenic Conference women's fraternities or sororities led by student members.

Potential New Member (PNM)

Any woman interested in becoming a sorority member who is matriculated and eligible according to Panhellenic requirements.

Recruitment

The process of joining a sorority. The recruitment period is organized and implemented by the College Panhellenic Council. No longer referred to as rush.

Total

Total is the allowable chapter size as determined by Panhellenic, and it includes both new members and initiated members. College Panhellenics are required to review total each academic term — within 72 hours of bid distribution for the term during which primary recruitment is held and within one week.

RECRUITMENT

Schedule

MOVE-IN

You should have received communication from K-State Housing and Dining Services by now with information on the move-in process. Early move-in is **REQUIRED** to take part in recruitment this year. You must move in on Saturday, August 10th & Sunday, August 11th. There will be an early move-in fee of \$55 per day.

ORIENTATION

On May 1, registration for recruitment will begin. Shortly after registering, our recruitment team will add you to the 2024 Sorority Recruitment online education module, which will have a variety of videos and resources on the recruitment schedule, process, team, and more! In total, you should need no more than an hour to read or watch this orientation module. In July, you will be put into your recruitment groups so you can meet your fellow PNMs and ask questions to your recruitment guide.

ROUND 1 - VIRTUAL - SUNDAY, AUGUST 12TH

This is the first round of formal recruitment, which is conducted on your own time. Before August 1st, you will submit a video answering a list of questions for each of the 13 chapters to view. This is a great way for you to introduce yourselves to the chapters, and for each of them to get to know you better!

ROUND 2 - PHILANTHROPY & COMMUNITY SERVICE - MONDAY, AUGUST 13TH

You will receive a schedule inviting you to up to ten events for the day. Events will be conducted at each chapter facility and last 30 minutes with 20-minute breaks in between to allow time for bussing between neighborhoods. Following the conclusion of your rounds, you will enter your priorities of whom you would most like to see during Round 3.

RECRUITMENT

Schedule

ROUND 3 - SISTERHOOD & HOUSE TOURS - TUESDAY, AUGUST 14TH

You will receive a schedule inviting you to up to six events for the day. During this day you will receive information concerning each chapter's member expectations, as well as financial, housing, community service, and academic obligations. You will also be given a house tour of the facility to get a better idea of what each chapter house looks like. Additionally, each sorority will emphasize the unique bonds of sisterhood within its chapter and its values.

This is an all day round. Events will be 50 minutes long with 20-minute breaks in between to allow time for bussing between neighborhoods. Following the conclusion of your rounds, you will enter your priorities of whom you would most like to see during Round 4.

ROUND 4 - PREFERENCE - WEDNESDAY, AUGUST 15TH

During this round, you will have the opportunity to attend up to two chapters. You will talk more in-depth with members about their sorority experience and why their chapter is important to them. You will take part in a special ceremony that is unique to each chapter. Some women may be emotional during this round as they share the bonds of sisterhood they have formed with women in their chapter. Events will last one hour with 20 minutes allotted for travel between each chapter. Participants will submit their preferences following their events and sign the Membership Recruitment Acceptance Binding Agreement.

BID NIGHT - WEDNESDAY, AUGUST 15TH

On Wednesday evening you will meet with your recruitment groups on Bosco Student Plaza to open your bid cards together. After opening, all new members will run to Anderson lawn and meet up with their new sisters. At this point, chapters may host an evening of fun and safe activities at their respective houses.

ROUND ONE

Open House

WHAT TO WEAR:

Round 1 this year is virtual. When making your video, we encourage you to wear your K-State gear.

OPENHOUSE VIDEOS

Open House is virtual this year. While filming your video, use the opportunity to introduce yourself to the chapters. You can focus on your values and interests, both personally and academically, your high school experiences, your friends and family, etc. During this round, you will go through a recruitment magazine from each chapter at Kansas State to learn more about them.

QUESTIONS YOU MAY BE ASKED:

Introduction of yourself (name, major, hometown)
What were you passionate about in high school?
What did you do this summer?
What do you hope to do after college?

REFLECTION QUESTIONS:

What does it mean to be a member of a sorority? What aspects of sorority life appeal to you and why? What do you want to gain by participating in this experience?

ROUND TWO

Philanthropy & Community Service

WHAT TO WEAR:

During Round 2, we encourage you to wear a casual summer outfit. Casual skirts, rompers, or shorts are all appropriate -something that you feel comfortable in.

CONVERSTATIONS IN PHILANTHROPY

You will be meeting with between 1-10 chapters this round to discuss service. Be prepared to discuss any community service you engaged with/are performing currently. Today is a great day to talk about what you are passionate about -as chapters will be doing the same

QUESTIONS YOU MAY BE ASKED:

What type of community service have you engaged in and what did you learn from it? What do you know about our philanthropy? Could you provide an example from your past experiences of supporting a bigger cause?

REFLECTION QUESTIONS:

What does it mean to be service-minded? Why do you think philanthropy is an important part of being a sorority member? How do you feel about collaborating with a group of people to serve others?

ROUND THREE

Sisterhood & House Tours

WHAT TO WEAR:

Round 3 is dressier than Rounds 1 and 2. Attire is similar to what you would wear to church or a nice dinner. Appropriate clothing would be a dressier skirt or sundress. When choosing shoes, remember to stay comfortable! If you want to wear heels, we suggest bringing a pair of flats or sandals to use between events.

CONVERSATIONS IN SISTERHOOD

This round, you will visit 1-6 chapters. You will have ample time to learn the intricacies and differences of each chapter's sisterhood. You will be asked more in-depth questions about topics you've discussed previously in the week.

QUESTIONS YOU MAY BE ASKED:

Can you tell me about some of your friendships?
Do you have an example of sisterhood in your life now?
What role would you play or what would you contribute to our sisterhood?

REFLECTION QUESTIONS:

What does sisterhood mean to you? While a facility may be part of the sorority experience, it is not sisterhood-what is the difference to you?
What aspects of each chapter's sisterhood appealed to you and why?

ROUND FOUR

Preference

WHAT TO WEAR:

This is the most formal day of recruitment. You should consider wearing what you would wear to a summer wedding or to an important ceremony. Most potential new members choose to wear heels but bring sandals or flats to wear between parties.

CONVERSTATIONS IN PREFERENCE

Wednesday is your last chance to talk with chapters about the experience they offer and what it would look like to be a member of their sorority.

QUESTIONS YOU MAY BE ASKED:

What do you want most from your sorority experience?

Do you see yourself in this chapter?

What other information do you need from our sorority to make your decision?

REFLECTION QUESTIONS:

What factors are you relying on to make your decision? How are sorority women relevant in 2024? What did you learn most about yourself through this experience?

Bid Day

WHAT TO WEAR:

Be comfortable! Shorts, jeans, tennis shoes, sandals, etc are all acceptable. Be mindful that you may be walking a lot. Chapters will provide a bid day shirt to each potential new member. Be mindful of what you wear to bid night as you will be changing shirts.

WHAT DOES BID DAY LOOK LIKE?

All PNMs will meet on Bosco Plaza and meet with their recruitment groups. Bids will be opened, and new members will run home to Anderson Lawn with their new chapter. Chapters will walk back to chapter facilities to continue their Bid Day celebration with the new members.

THE SELECTION PROCESS

Recruitment is a membership selection process. After each round of recruitment, you will enter your chapter preferences into a computer system. These are the chapters you wish to visit during the next round. You should make this decision based on your feelings and knowledge of the chapters you visited and be careful not to base your decision on the opinions of others. In the same manner, chapter members will decide whom they would like to invite back to the next round. Before each round, you will receive a schedule of chapters you have been invited back to visit. You may be invited back to chapters who you ranked toward the bottom of your list -that means they would like to get to know you more! Potential new members can not "cut" chapters entirely.

After attending your last event of preference round, you will make your final preference choices. Each potential new member will list, in rank order, the chapters whose preference events you attended. By ranking the chapters and submitting your preferences after your last preference round, you are agreeing to accept an invitation to membership from any National Panhellenic Conference (NPC) sorority that you have listed. Once the acceptance agreement has been submitted, it cannot be altered or changed.

After the agreement is submitted, you are bound by the NPC one calendar year rule. **This rule states that if you receive an invitation to membership from a group that you have listed and then do not accept it, you are not eligible to be pledged to any other NPC member sorority in the Panhellenic community at K-State or any other institution until primary membership recruitment in fall 2024.**

Most of the time, potential members receive their first preference of their remaining choices on Wednesday. If the potential new member does not receive an invitation from her first preference, she may receive an invitation from her second preference. Once a potential new member receives an invitation to pledge a chapter, she becomes a new member of that sorority. There will be a pledging ceremony, in which chapters ask their new members to pledge themselves to the ideals of the sorority. Pledging ceremonies occurs during Bid Day activities or at the first chapter meeting. Pledging ceremonies may be formal or informal, depending on the chapter.

5 TIPS FOR A

Successful Recruitment

01

TRAVELING BETWEEN CHAPTER HOMES

Breaks are quick! You should ensure you are on time for events by traveling quickly between events. Recruitment guides will offer instructions to help you find your way.

02

ALWAYS WEAR YOUR NAMETAG

Always wear your nametag visibly.

03

CONSIDER CARRYING AS LITTLE AS POSSIBLE DURING THE DAY

You will be unable to carry a bag/purse into the chapter facilities. Instead, you will be asked to leave your bag with a recruitment guide, who will watch your belongings. Anything you should need, a recruitment guide will likely have.

04

KEEP AN OPEN MIND

Participants who do the best during the process keep an open mind about what they are experiencing. The week may be stressful. Some women may experience disappointment at some point. Participants who learn as much as they can about all of the chapters — and appreciate each for what they can offer — enjoy the recruitment experience more.

05

RECRUITMENT CONVERSATION TIPS

You will need to be able to talk about yourself and your interests. Because you will visit all chapters on the first two days, sometimes these conversations may become somewhat repetitive. The next page lists common topics discussed during recruitment. Remember, the key to these conversations is to have fun and be yourself!

COMMON

Recruitment Topics

- 01 **Academics**

This portion can contain the project's deliverables, in the form of bullet points or a short, descriptive paragraph.

During the first few days, expect to talk about your major, why you chose K-State, and what made you select your major. Education is the primary reason students are at K-State, so you should be prepared to discuss it.
- 02 **Summer**

You will be asked about summer jobs, vacations, and any interesting things you did over the summer. Sharing fun stories about traveling, working, movies you have seen or concerts you have attended will make the conversation much more interesting and fun!
- 03 **High School Activities**

These activities give sorority members a good picture of who you are and what types of things interest you. You may spend some time thinking about what you enjoyed participating in during high school: sports, volunteering, clubs, or any other hobbies and interests
- 04 **Leadership Opportunities & K-State Involvement**

You also may wish to talk about any goals you have for your college career or if there are any organizations you would like to join. You may meet someone with the same interests who can tell you more about campus involvement. If you are interested in leadership positions within a sorority, they may ask questions about those opportunities.
- 05 **What you want to gain from being a sorority woman**

You should be sure and spend some time thinking about the qualities you would like in a sorority. Here are some examples of what to ask about: academics, networking professional development, community service, leadership opportunities, sisterhood, social activities

LETTERS OF

Recommendation

✦ What is a recommendation?

A recommendation is a personal letter of reference provided by an alumna of a sorority to her sorority's chapter at K-State. When an alumna asks to write a recommendation on your behalf, you may help by offering a resume complete with high school academic and involvement information, as well as community service involvement information. Alumnae should follow their headquarters' policy regarding letters of recommendation.

✦ When & where should letters be mailed?

Because facilities are not occupied currently, please ask alumnae interested in writing you a letter to submit it via their organization's international headquarters website (linked below if you hover your mouse on the chapter name).

✦ Is a recommendation necessary?

Letters of recommendation are not required by the Panhellenic Council at K-State. They do not guarantee an invitation to the next round of recruitment events or ensure a bid to a particular sorority.

Expectations & Guidelines

The Panhellenic Council at K-State has adopted the following regulations so that recruitment may be as fair as possible to all persons concerned. All women participating in recruitment are responsible for becoming familiar with and observing these guidelines. If serious infringements of Panhellenic guidelines occur, penalties may be imposed, including dismissal from recruitment.

THE FOLLOWING IS TAKEN FROM THE PANHELLENIC COUNCIL AT K-STATE'S MEMBERSHIP RECRUITMENT CODE OF ETHICS AND APPLIES TO POTENTIAL NEW MEMBERS.

GENERAL GUIDELINES & EXPECTATIONS FOR POTENTIAL NEW MEMBERS

- 01 Prospective members must be enrolled undergraduate students at Kansas State University to be eligible for recruitment.
 - 02 To participate in recruitment, interested women must not be or must not have been an initiated member of a National Panhellenic Council (NPC) organization and must not have signed a membership recruitment acceptance agreement at K-State in the last calendar year.
 - 03 Each potential member should be aware that individual chapters will be following grade requirement guidelines set forth by their individual organizations
 - 04 Each prospective member is expected to accept the maximum number of invitations for each round to maximize her chances of pledging, except in the case of illness or emergency. Failure to do so will result in being withdrawn from further recruitment activities.
-

Expectations & Guidelines

- 05 Prospective members must register with the Panhellenic Council and pay the established fee to participate in recruitment.
- 06 Legacies are recruited the same as any other prospective member.
- 07 Prospective members who sign preference cards and receive bids at the end of the formal recruitment period are bound to that sorority for one calendar year at Kansas State University. While they are not obligated to pledge that sorority, they may not pledge another NPC sorority at KState or at any other institution within that year.
- 08 Panhellenic Council at K-State recommends that women wishing to go through recruitment have a 3.0 GPA in high school or 2.8 GPA in college. Academics are extremely important to our greek community, as shown by the all- sorority GPA average of 3.47. Each sorority chapter has academic standards for membership. Sometimes, the chapters make exceptions, but those instances are rare. To maximize your potential success, please understand the importance of meeting suggested academic standards.
- 09 Prospective members may not use alcohol or illegal substances from the time they move into recruitment housing until the close of Bid Day.

Legacy Information & Resources

LEGACY INFORMATION

A legacy is a potential new member who is the sister, daughter, or granddaughter of a sorority alumna. Being a legacy does NOT guarantee membership into a sorority. Legacy status can be indicated when registering online. Please have the alumna member send a legacy introduction form and letter of recommendation directly to her sorority, as sororities will need to verify the information. Many legacy policies have been updated so talk to the organization as many have moved away from their previous policies
