

Individuals for Freethought (IF)

A student group for discussions and more from a non-theistic perspective. IF is a place for skeptics, non-theistic people, humanists, and anyone who wants to hear from or share a different perspective. Our discussions are based on reason and knowledge and not dogmatic or authoritarian thinking.

Our meetings are held weekly, in Union 206, at 8:30 pm on Wednesdays.

Our discussion for Sept. 29th will be “How I came to my beliefs”

Hope to see you there!
