

ETHICS & CONFIDENTIALITY COMMITMENT

By my signature below, I pledge to adhere to the following:

1. As a member of the search committee, I accept my responsibility, shared by my fellow committee members, to protect the integrity of the institution, and that of all prospects and candidates for the position.
2. I acknowledge that only the Chair of the search committee is authorized to speak publicly on behalf of the university and the search committee, and any media inquiries should be referred to the Division of Communications and Marketing.
3. I certify that I am not a candidate for the position.
4. I agree to disclose promptly to the committee any appearance of real or potential conflict of interest in a relationship between myself and a prospect or candidate.
5. I acknowledge that information management is a crucial component of the Search Committee's work. Through this work, I will acquire access to a wide range of important and confidential information developed and received about prospects, candidates, and their employing institutions. Recognizing the treatment of such information gives rise to serious and potentially negative implications for all prospects and candidates, their current institutions, and Kansas State University's credibility, I pledge my commitment to the following principles, subject to any and all legal rights and responsibilities:
 - I will respect the absolute confidentiality of all prospects and candidates. I will not reveal the identity or any other information about prospects and candidates before or after the committee completes its work.
 - I will be fair, honest, and responsible in my management of information germane to the search.
 - I will guard against inaccuracies, carelessness, bias, and distortion made by either emphasis or omission of information.
 - I will strive to treat issues impartially and handle controversial subjects dispassionately.
 - I will give accurate and complete reports on candidates to the search committee Co-Chairs, if called upon to make such reports.
6. I will place the best interests of the institution ahead of all special and personal interests, and I will, to the best of my ability, exercise common sense and good judgment in applying ethical principles to search work.
7. I consider the letter and spirit of this statement to be a matter of personal responsibility.
8. I understand that a breach in confidentiality may result in my removal from the search committee and may impact my eligibility to serve on future searches.
