

## 2019 SIIL Annual Meeting – Presentation & Poster Guidelines

The SIIL management entity requires that all subawardees prepare a presentation **and** poster for the upcoming [2019 SIIL Annual Meeting](#), **April 8-10, 2019**, in Saly, Senegal. If you have any questions as you prepare these materials, please contact [Dr. Jan Middendorf](#). Please note that the registration deadline is **March 13, 2019**.

### POSTER GUIDELINES

Each subaward PI should utilize the poster ([linked here](#)) to display the project's innovations and/or technologies as it relates to the Sustainable Intensification Assessment Framework and the systems approach. For example, you could select one innovation and/or technology, and talk about its evolution over the years, overall conclusions, and how the innovation and/or technology might be scaled up in the future.

Please utilize the provided template to design your poster. All posters must be emailed as a PowerPoint file to [Andra Williams](#) with a cc to [Dr. Vara Prasad](#) and [Dr. Jan Middendorf](#) by **Friday, March 15, 2019**. The SIIL team will print your poster for you.

### PRESENTATION GUIDELINES

Each subaward PI (or representative) should prepare for a **25-minute** presentation followed by a 5-minute Q&A session. The following topics should be addressed in the presentation, and the number of suggested slides per topic is provided.
