 - Green Syringing
 - Irrigation repair & installation
 - Drainage repair & installation
- Pesticide/ Fertilizer
 - Application
 - Calibration

*Maintaining the highest standards for
elegance and community through
membership*

#11
IN NORTH
CAROLINA

CLUB HISTORY

Biltmore Forest Country Club is a private, invitation-only club founded in 1922, boasting a Donald Ross golf course maintained at the highest standard and situated on 135 acres in the town of Biltmore Forest, North Carolina.

The 18 hole golf course is 6,770 yards and consists of A1 Bentgrass greens, Zeon Zoysia fairways, approaches, bunker faces, tees and Turf Type Tall Fescue Rough. BFCC is currently ranked #12 in North Carolina and has been recognized by Club Leader's Forum as a Platinum Club of America, a distinction awarded to the top 3% of private clubs. The course has hosted numerous prestigious championships including the 1999 U.S. Women's Amateur and the 2013 U.S. Women's Mid-Amateur and is scheduled to host the 2025 U.S. Senior Amateur.

The Club has undergone many changes and renovations over the years with the most recent being a new \$2.95 million golf maintenance facility. Other recent renovations include a \$6.4 million restoration of the golf course and a \$1.8 million restoration of the Clubhouse in 2015. Both projects had as their mission to restore the Club's facilities back to its original 1922 splendor.
