Age (yrs) _____ Grade: _____ circle one: **Male** **Female**

I need your help to make our school a better place and help prepare you for any bullying you might face when you leave our school and continue to the next grade. Please be honest in your responses. I will not share what you say with any of your classmates.

Look over the following list. Circle *four* words that you think are ***MOST TRUE*** to describe what happens when someone is bullied:

If you think the statement is **true**, draw a circle around the check mark: ✓

Important: Your answer does not mean that you agree with the answer or like what it says. You may dislike or like some statements that you think are true or you may dislike or like some statements that you think are false. There are no right and no wrong answers. This is not a test.
