There is an inconsistency with the number of family members between your original Dependent Verification Form and your FAFSA.

Please list all members of your family, including:

- Yourself, even if you do not live with your parent(s).
- Your parent(s)/step-parent if they are living together, even if they are not married.
- Your parents' children, **if** they receive more than half of their support from your parents from July 1, 2024 through June 30, 2025 **or** they would be required to provide parental information when applying for federal financial assistance.
- Other people, **if** they now live with your parents, they receive more than half of their support from your parents **and** will continue to do so from July 1, 2024 through June 30, 2025.

Note: Support is defined as providing food, housing, medical/dental care or health insurance, car insurance, money or other financial resources.

Helpful Hints:

- The parent listed below should be the parent whose information was reported on your FAFSA.
- Provide the complete date of birth for yourself and each family member.
- **Do not** include a parent not living in the household due to separation or divorce.
- **Do not** include foster children or children who receive child support funding from your parent(s).
- **Do include** a step-parent if your biological parent has remarried.
