k-state

TechBytes Series
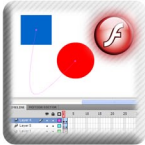

Fall 2009

What is TechBytes?

TechBytes is an educational series showcasing many of the leading multimedia and information technology tools available on the K-State campus.

September 10: Top 10 Zimbra Features

Presented by Scott Finkeldei, Office of Mediated Education
Discover tips and tricks for using Zimbra. Learn how to set important options, utilize tagging, use the documents and briefcase, and more.

September 17: Teaching with Flash

Presented by David Pedergnana, Educational Communications Center
Flash is used for Web sites and animations. See how you can use Flash and understand the concepts of using this as a teaching tool.

September 24: No TechBytes

President's Inauguration

October 1: What's Twitter?

Presented by Elaine Edwards, Department of Communications, News Media
See how K-State is using Twitter and learn how to get on board with Twitter.

October 8: Cool iTouch and iPhone Apps (Hale 301A)

Presented by Eric Dover, iTac (Information Technlogy Asst Ctr), and
Gerry Snyder, Dept. of Communications
You've seen the commercial, now see how several of these apps (applications) are being used for learning and collaboration.

October 15: There's more to Blackberry

Presented by Dale Blasi, Dept. of Animal Sciences & Industry
Great program for the "mobile faculty." Phone and e-mail are the most common uses but there are several more useful apps to get the most out of your Blackberry.

October 22: Facebook at K-State (Hale 301A)

Presented by Alex Sune and team, grad. student in Counseling and Student Dev.
Facebook is an integral part of posting information and events to K-State students. See several of these fine examples and learn how to get the most out of Facebook.

October 29: Digital Photography and Cameras

Presented by Dave Mayes
Do you own a point and shoot camera? Learn how to better your photos with several composition tips and get the most out of all the features on your camera.

November 5: Flipcams in the Classroom

Presented by Chris LaVergne
Flipcams are small, handy video cameras. See how they're used in a learning environment at K-State.

Where...
Hale Library Room 501, Thursdays at 1:30pm
